All: I was copied on the below email. I am counsel for a non-party, the Reporters Committee for Freedom of the Press, that submitted an amicus letter brief in this case. The Reporters Committee is a nonprofit association of reporters and editors that is both a member of, and representative of, the news media. Since neither I nor the Reporters Committee is subject to any confidentiality agreement or stipulated protective order that the parties in this case may be subject to, I wanted to be sure that all parties, as well as Ms. Davis, were aware that we had received the below email and its attachment.

Best regards,

Katie
